Who We Are

Healthy Planet of Brevard is an independent, volunteer-run, non-profit organization located in Brevard County, Florida. We are not affiliated with any national organization, religious group or political party.

Our Mission

Healthy Planet of Brevard inspires people to shift towards a plant-centered diet to improve their health, to encourage compassion for animals, and to achieve a sustainable environment.

Events and Activities

We sponsor events and participate in activities consistent with our mission:

- Speakers such as medical doctors and animal welfare advocates
- Vegan Dining Out events at local restaurants
- Turkey-Free Thanksgiving Celebration Dinner
- Independence from Meat Summer Picnic
- Health, environmental and animal welfare outreach efforts
